Recreational riding for cyclists to enjoy the beautiful coast of Southern Maine

Dear Maine Coast Cycling Club Members,

Our club is pleased to be once again offering a club clothing order, which we do only once every two years. Through our advertising sponsors we are able to provide clothing below market prices. In addition, proceeds generated through our sponsors allow us to provide monetary support for the Community Bike Center in Biddeford and the Kennebunkport Parks and Recreation Youth Bike Program, as well as a variety of our club's activities, functions and events.

This year we are ordering from Louis Garneau which offers a higher quality product than past club clothing orders, and we are expanding the line of items offered to include shorts. Won't we be snazzy as we ride as a club, in our community, or at races or charity events? For more information on clothing you may order, please take a look at the Louis Garneau Web site: <http://www.louisgarneau-custom.com/products/categories.asp?category=jersey&categories=cycling>.

Louis Garneau does require a minimum order, so while we hope to provide everything offered on the order form, we will be dependent on meeting the minimum numbers. Above a minimum number ordered we may get an additional discount.

Please fill out the order form and either:

- ❖ Save and email the document to Helena Brook at brookhelena@yahoo.com
- ❖ Or surface mail the form to the Maine Coast Cycling Club, P.O. Box 581, Kennebunkport, ME 04046

The order deadline in March 5th! – We must send in our club order to Louis Garneau soon after March 5, and we hope to have our clothing for you by the end of April.

Order now – pay later when you pick up your goods! ☺

For more information on the clothing order contact Helena Brook at brookhelena@yahoo.com or 967-4332

I would like to thank all of our sponsors whose advertising support has generated \$3,000 for our club! Look for their ads on the clothing as well as on our club Web page. Thanks also go to our clothing committee members: Helena brook, Dave Letze, Mary Mancini, Don Berthiaume, Peter Chace. And special thanks go to Helena for chairing this effort and all the hard work she has done getting this set up. Until I was on the committee I did not fully appreciate how much work it really is.

Sincerely,

Frank Wertheim
MC3 Secretary

MC3 is ordering from Louis Garneau this year. The quality of the items will be much better than previous club clothing orders. The clothing colors will be enhanced this year, however staying with the theme colors. The short will be a dark blue with a yellow MC3 logo. The prices are a bit higher but we think you will be pleased with the look and quality and the fact that we will be providing matching shorts in addition to shirts and vests.
